

tech-check specs interiors | Division 13

This is a template, so some items will apply to your project, and others won't or will be missing. When using the list, make the changes needed for your project.

The content of the Tech-Check Lists is based on our specs and MASTERSPEC®.

DIVISION 13 - SPECIAL CONSTRUCTION

☐ 134900 - RADIATION PROTECTION

- This section in RMW projects specifies only lead-lined gypsum, lead glass, and lead doors. Anything more than this should be handled by a consultant or Owner-Provided package.
- Pre-installation meeting requirements are included.
- Field measurements requirement is included.
- Products are installed by fabricator - no exceptions.
- Description of products matches products selected.
- Review drawing notes and make sure they are correct.
- Installation instructions match details.
- **LEED PROJECTS:** Requirements and Submittals included at the beginning of the section.
